Vineyards:

Our Fifty/50 blend captures the best that the Finger Lakes aromatic varietals have to offer. A blend of Gewürztraminer sourced from Gibson Vineyards, and Riesling sourced from Morris Vineyards, Fifty/50 is the result of a beautiful marriage between Bellangelo's favorite varietals, and favorite vineyard sites.

Vintage Summary

After a mild winter, bud break occurred in mid-March, very early by comparison to recent vintages. Late March presented wine growers with sleepless nights, as several frost events threatened this promising vintage. Although some damage occurred, Bellangelo and its premium growers endured the spring, only to experience a long, dry summer, with rains that were perfectly timed to provide necessary moisture to the vines, without too much moisture accumulation. In all, the 2012 vintage proved to be a near perfect vintage for the Finger Lakes, and a very special year for Bellangelo's fine wines.
