QRS Educational Services

Over 30 years of providing quality, resourceful and supportive education

OnDemand 1-hour Rapid Novice Rhythm Interpretation

Agenda:

A Systematic Approach to Rhythm Interpretation
A look at the cardiac conduction system
Calculating the rate using the 6-second approach
What is the PR, QRS, QT interval? How do you measure them?
What is the big deal if the intervals are abnormal?
What is the ST segment?
The ACLS/PALS Approach to Rhythms: Defibrillation, Cardioversion, Pacing
Case studies in common and life-threatening rhythms

Cost: $45. Includes comprehensive course material to print, a certificate for 1-hour of Continuing Education and access for a full year. Darlene is available by phone or email with any questions.

Registration: Option 1: E-transfer to darlene@qrseducation.com. Please add the course you wish to attend, as well as your email address and phone number in the comment section.
Option 2: Register and pay by credit card by choosing the 'OnDemand Courses' tab online at https://www.qrs-education.com/collections/courses

For any questions, please contact the QRS administrator Diana Curphey at (905) 668-2232 or diana@qrsadmin.com.

Workshop Focus: This accelerated course presents a systematic method for Lead II Rhythm Interpretation, emphasizing a progression from recognizing normal sinus rhythm to understanding abnormal rhythms. The course includes some case studies, hands-on practice, and stress-free learning. Enhance your understanding with the QRS Heart of the Mater Manual, available for purchase. For a comprehensive OnDemand course on this subject, please attend the 8-hour Novice Rhythm Interpretation Course.

Certification (Optional): Show case your competence in this subject matter by completing the Rhythm Interpretation Certification Test.

About the Presenter: Darlene Hutton MSN, has a wealth of nursing experience in a variety of settings: Staff Nurse in CCU, Emergency, ICU, PACU; Critical Care Educator; CCU Manager; and Research Manager. Her company, QRS Educational Services, provides a wide variety of OnDemand courses and also provides ACLS, PALS, and TNCC.
