1040x3000mm

Instructions:

1. Your design should cover the whole black areas, including the bleed between the RED sewing lines and the edges of the black areas.

2. Keep all important text and graphics within RED sewing lines.

3. Convert all texts to outlines or contours.

4. Use CMYK or Pantone colours instead of RGB colours, even for images

5. Make sure that the resolutions of all images are > 100 dpi

6. Save as a pdf file and submit it to our website. Or use dropbox if it is too large
