Cocktail Coaster - Wax Backed

Shape:	Square
Edge:	Straight
Size:	90mm
Tissue Colour:	Black

Smallest acceptable line thickness is 0.5 pt. If the design is reversed out the minimum is 1pt. This includes fonts and typefaces.

To ensure accurate reproduction of type, all fonts and typefaces should be converted to outlines.

Halftone screen can be used to create lighter shades of a colour. The tone value must not be below 25%, otherwise dots will be washed away. The tone value must not be above 70%, otherwise the dots will spread and fill in.
