Dumpster Control Granules

With Citronella! For Restaurant, Institution and Municipal Waste!

Powerfully-effective Dumpster Control Granules with Citronella contain exclusive odor destroying additives. Dumpster Control Granules are formulated to handle even the toughest odors from restaurant, institutional, commercial and municipal waste. Pacific Breeze Dumpster Control Granules offers the perfect solution to odor problems from trash containers, garbage dumpsters and compactors.

Suggested Uses:

Apply liberally to odor sources in and around: garbage dumpsters, trash compactors, landfill sites, sewage treatment plants, rendering plants, manure piles, urine and emesis, decaying carcasses, food waste, meat, fish and poultry processing areas, etc. Ideal for use aboard cruise liners and sailing vessels. See special application instructions for effective use in animal areas.

Features and Advantages

- Effectively suppresses gaseous malodors associated with decaying carcasses and organic wastes.
- Easy to apply and economical to use.
- Long-lasting, effectively controls odors between waste hauling cycles.
- Biodegradable, non-corrosive, contains no acids – can be used with complete confidence.
- V.O.C. compliant.

Parmesan Garlic Mashed Potatoes

Serving Size: 16-18

Ingredients:

- 8 Lbs. - Yukon gold potatoes (cubed & peeled)
- ¾ cups - Sour cream
- 2 sticks - Butter
- 2 cups - Heavy whipped cream (warmed)
- 6 cloves - Garlic minced
- ¾ cups - Parmesan cheese
- 1 bunch - Chives

Instructions:

1. Bring a large pot of water to a boil, with potatoes in it
2. Cook for about 20 - 30 minutes until fork goes right through
3. Drain the potatoes in a colander
4. Add the butter and garlic to the same pot you cooked the potatoes, cook on med heat for 3 - 4 minutes
5. Add the potatoes to the garlic and butter (use a ricer if you have one)
6. Add the warmed heavy whipped cream, parmesan cheese, sour cream and stir
7. Season with salt and pepper to taste
8. Garnish with chives

Ready for the snow?

It's a hit or miss during the winter whether we get snow in outlying cities of Seattle but when we do, we often don't know what to do. Don't be unprepared if we do get snow. Here are some tips to help be proactive and ready.

1. Pack an emergency kit in your car equipped with: flashlight, one set of warm clothes (hat, gloves, socks, pants, jacket, etc.), pocket knife, road flares, first aid kit, non-perishable food like energy bars, lighter, water, batteries, ice scraper, tire chains, anything else you feel is necessary in case of an emergency

2. Restock your car with: windshield washer fluid, antifreeze fluid, fuel

3. Other helpful tips: check if your car needs new tires, winter tires or all-weather tires, put a GPS in your car in case the weather causes poor visibility, you won't miss a turn and if a road closes you will be able to find an alternative route
