Pre-Class Cutting, Set-up and Supply List

for

Broken Daisy Placemats

Pre-cutting the fabrics is a mandatory requirement prior to taking this course. Please begin preparing for class at least 2-WEEKS prior to the class to make sure that you are able to get familiar with your pattern and complete the pre-cutting beforehand. We always recommend reading through your entire pattern several times before beginning.

Correction: Please take a minute to see if there are corrections for this pattern on the Quiltworx website (www.quiltworx.com) under corrections

Fabric Selection: Please refer to the yardage chart on the back of your pattern for the required fabric amounts.

Preparing your Foundation Papers: Please read and follow the instructions for Foundation Papers & Paper Piecing Templates on pages 1-3 of your pattern.

NOTE: PLEASE PAY SPECIAL ATTENTION THAT YOU DO NOT CONFUSE FOUNDATION PAPERS WITH TEMPLATES.

- **Foundation Papers**: These are the foundations that you will sew the fabric directly onto. These need to be trimmed leaving a 1/8" border. **DO NOT** cut the individual units apart.
- **Templates**: These are cut out of newsprint, freezer paper and/or template plastic and assist in cutting fabric in a specific shape. Check pattern for specific directions.

Marking "Fabric Guide Lines" on Foundation Papers: This step helps you to locate the actual area that your fabric needs to cover before adding your fabrics. It takes a few minutes to complete this step, but it saves a lot of time when you don't have to rip out seams when fabric has been miss-placed during the sewing process.

- To accomplish this is to use a light-box or a window to trace the **DASHED LINES** with a ruler and pencil.

Cutting Instructions: Follow the Cutting instructions on page 3 & 4 of your pattern. Place fabrics into the bags specified in the cutting instructions.

The following items will be used in class:

Broken Daisy Placemat Pattern

- Sewing Machine with a quarter-inch foot and accessories
- Iron
- Ironing Mat
- Two pieces of Template Plastic (3″ x 18″ piece and 3″ x 12″ piece) This will be your **Fold Template**
