The perfect Patio Titan Outdoor TV allows you to experience the ultimate entertainment package with its feature-packed TV that brings effortless performance, crowd-pleasing features, and incredible value right into your outdoor entertainment setting. Enjoy captivating 4K resolution while our Crystal Processor automatically enhances every frame, delivering improved picture quality with optimized colors, contrast, and motion as you watch. The CU80 series has a wider color gamut and slightly higher peak brightness, making it more pleasant to look at. It also has a more premium, slimmer design compared to CU70

Titan Outdoor TVs are indoor TVs that have gone through a process that allows them to be used outdoors safely and viewable. (Please see limitation on our website)
