

Product Request Form

Dear Store Manager or Buyer,

As a loyal customer to your store, I would like to request that you try Because Cookie Dough in your frozen or refrigerated dessert section. It is a unique product that I would really like to buy at your store. Because Cookie Dough products are gluten free, vegan, and sweetened with coconut sugar. They have 3 flavors that come in a pint sized tub and 2 oz single-serve grab-and-go cups. They have a 75 day shelf life. I look forward to being able to purchase products at your store soon!

Sincerely,
A loyal customer
