

January 6 – February 20

WINTER LIGHTS: THE MOONSTONE SHOW

Winter is the perfect season to enjoy the shimmering glow of this gemstone that ancient Romans thought was made of moonlight. Contemporary jewelers love its luminosity, play of color, diverse shades and subtlety. We invite you to see this new collection of 'winter lights'!

Stephani Briggs • Devta Doolan • Barbara Heinrich
Karin Jacobson • Janis Kerman • Fredricka Kulicke
Christine Mackellar • Jan Mandel • Tom & Jutta Munsteiner
