Instantly Sanitize

With an active ingredient of a minimum of 70% Medical Grade Ethyl Alcohol, our hand sanitizer is safe and effective.

Softens & Hydrates

We have added essential oils, which helps soften and condition the skin, and minimizes chapped and irritated hands.

Refreshing & Revitalizing

Made with essential oils and unique herbs,
for a light and refreshing scent that is both uplifting and
stimulating with tea tree & peppermint, Eucalyptus & Lemon to refresh
and renew hands in between uses.

PHARMACEUTICAL GRADE

99.99% Medical-Grade Alcohol

We use only Pharmaceutical grade Alcohol.
We don’t use any industrial alcohol nor distilled liquor.

Natural Essential Oil Fragrance

Our Natural Essential Oils will nourish your hands and has an aromatherapeutic fragrance.

GOOD MANUFACTURING PRACTICE

GMP
ISO 22716

Tested, Certified and Safe, GMP-Plant based Products

Dr. Libeaute Hand Sanitizer products meet 100% FDA monograph. Safety Data and Alcohol component, Skin irritation tests are certified by authorized testing labs. Dr. Libeaute products are GMP Plantbased.

Non-Sticky and dry, Protect your hands skins, Non-Toxic Ingredients

We use only made-in-USA Lubrizol carbomer as wellas all natural ingredients for moisturizing. This protects your hands from being sticky and dry. We never use toxic ingredients.
