BarFlow™ 48 Pack

fast fits flawless

BONUS 1 X PROBARJIG™ & 48 SNAP-ON PROTECTORS

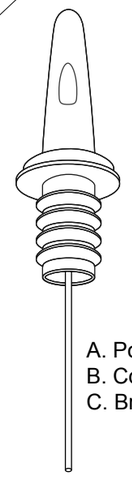
PRODUCT CARE GUIDE

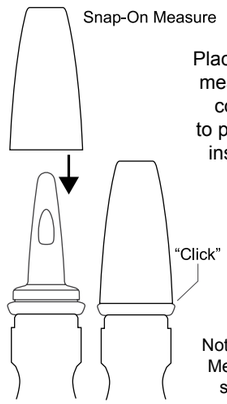
Anatomy

1



NOTE: For best results, the breather tube should always maintain a straight position. If deformed, it is suggested to replace the breather tube with the extras provided

A. Pour Spout
B. Collar & Cork
C. Breather Tube

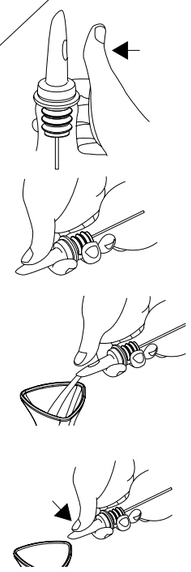


Place Snap-On measure onto collar/cork to protect from insects/flies

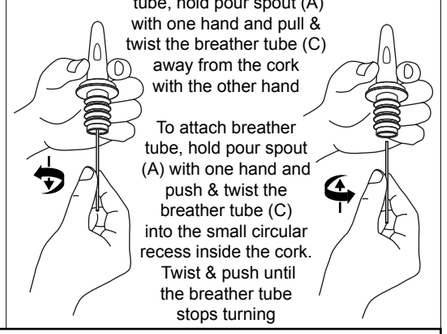
Note: Snap-On Measure sold separately

How To Use (3 sec. Pour)

2



1. Lift bottle, cover intake
2. Positioning bottle over jigger, air intake closed
3. Air intake opened, alcohol released, pouring starts
4. Air intake closed, pouring finished,return bottle



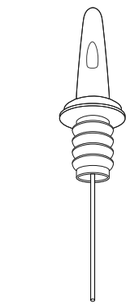
To remove the breather tube, hold pour spout (A) with one hand and pull & twist the breather tube (C) away from the cork with the other hand

To attach breather tube, hold pour spout (A) with one hand and push & twist the breather tube (C) into the small circular recess inside the cork. Twist & push until the breather tube stops turning

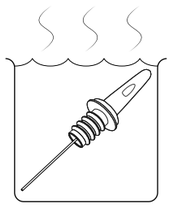
Refreshing corks

3

The **BarFlow™** parts can be cleaned in warm/ soapy water



After extended use the cork fins may skew upwards



To refresh, place **BarFlow™** in hot water for 5 seconds

The cork fins will return to normal position

NOTE: After prolonged use should fins not reset, the **BarFlow™** will need to be replaced as part of normal wear and tear

WARNING
NEVER CLEAN WITH ABRASIVE MATERIAL OR HARSH CLEANING CHEMICALS/SOLVENTS THOROUGHLY DRY AFTER CLEANING

WARNING
NEVER PLACE ANY PART INTO A GLASS WASHER, DISH WASHER OR BOILING WATER
