ROMPER FAQS

WONDERING WHICH SIZE TO ORDER?

The Romper is super generous and the fabric has a nice amount of stretch! If you are between sizes, we definitely suggest that you size down, especially if you want a slimmer fit!

Use the Size Calculator tool on each product page to take the guesswork out of it. This tool uses data from thousands of our #smashtessfam to help you get the perfect fit first time...because friends don't let friends order the wrong Romper size ;)

BUT WHAT DO THEY LOOK LIKE ON?

Find your fit! Check out our visual size guide to see our romper on various body types!

I HAVE A LONG TORSO...WILL IT RIDE UP?

No! The best part of the Romper is that it has a drop waist, perfect for our taller gals!

MY BUST IS ON THE LARGER SIZE...SHOULD I SIZE UP?

No! The beauty of bamboo is that it has a lot of give! Don't worry so much about your bust size. I would make your sizing decision based on your pant size vs your shirt size!
