Why Choose EM-Smart Laser?

Unique Features

- EM-Smart One/Nova
  - **Product** — **Flagship EM-Smart**
  - **Design** — **Foldable Design**
  - **Weight** — **8.5kg (Lightest EM-Smart)**
  - Genuine Parts
    - Max Laser Source
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - Rotary Function — One (R) & Nova (R)
  - Deep Engraving — EM-Smart Nova (25W)
  - **Gold Medal Winner** — **Warsaw Expo 2022**
- EM-Smart Basic
  - Product — Entry-Level EM-Smart
  - Design — Quick Set-Up
  - **Marking Height** — **No Limitation**
  - **Price** — **Affordable (EM-Smart Basic 1)**
  - Genuine Parts
    - Max Laser Source
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - Rotary Function — Basic 1R & Basic 2R
  - Deep Engraving — EM-Smart Basic 2(R) - 25W
- EM-Smart MOPA
  - Design — Quick Set-Up
  - Marking Height — No Limitation
  - **Genuine Parts**
    - **JPT Laser Source**
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - **Color Marking**
    - **Stainless Steel**
    - **Anodized Aluminum**
  - Rotary Function — EM-Smart MP20R & MP30R
  - Deep Engraving — All MOPA Models
- EM-Smart Super
  - **Product** — **Most Powerful EM-Smart**
  - Design — Quick Set-Up
  - Marking Height — No Limitation
  - Parts
    - Max Laser Source
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - Rotary Function — EM-Smart Super 30R & Super 50R
  - Deep Engraving — All Super Models
  - **Cutting Function** — **EM-Smart Super 50W**
- EM-Smart PC
  - **Product** — **EM-Smart with PC**
    - Copy
      - All-in-One — No PC Needed
      - Plug & Play — No More Set-Up
      - Compact & Foldable & Portable & Versatile
    - Feature
      - Build-in Computer
      - EZCAD Pre-Installed
      - Displayer & Keyboard & Mouse
  - **Design** — **Foldable Design**
  - **Weight** — **8.5kg (Lightest EM-Smart)**
  - Genuine Parts
    - Max Laser Source
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - Rotary Function — PC 1 & PC 2
  - Deep Engraving — EM-Smart PC (25W)
- EM-Smart Pro
  - **Product** — **EM-Smart with Auto Focus**
    - Auto Focus
    - Touch Screen
  - **Design** — **Foldable Design**
  - **Weight** — **8.5kg (Lightest EM-Smart)**
  - Genuine Parts
    - Max Laser Source
    - Sino-Galvo Scanner
    - BJJCZ Control Board
  - Rotary Function — PRO 1 & PRO 2
  - Deep Engraving — EM-Smart Pro 2 (25W)
