Where applicable, analytical and microbiological testing was conducted according to pre-determined specifications. The certificate of analysis has been reviewed and filed. All test results meet acceptable criteria for release.

All associated batch documents regarding the production, processing, packaging, storage, and sampling at Medz Cannabis have been reviewed and verified for accuracy and compliance. Any observed excursions or deviations from procedures and specifications have been assessed, investigated and satisfactorily resolved.

COMMENTS
N/A

I attest that the above information is authentic and accurate. Cannabis lot G23119GU satisfies all requirements in accordance with applicable regulations, including Part 5 (Good Production Practices) of the Cannabis Regulations, and approved internal procedures and is hereby authorized for release from Medz Cannabis by Quality Assurance.
