EMPOWERING OUR PLANETARY GRID OF TRANSFIGURING DIVINE LOVE

Patricia Cota-Robles
www.eraofpeace.org

Hi Precious Heart, due to the unprecedented influx of Light that has taken place over the past several years, the I AM Presence, which is the Divinity within every person's Heart Flame, is at long last reclaiming dominion of our Earthly experiences. The Divine Intervention of our I AM Presence is allowing the entire Company of Heaven to work more closely with us than ever before.

These selfless Messengers of our Father-Mother God are asking us to join with them now, in unified consciousness, to empower the Planetary Grid of Transfiguring Divine Love that Lightworkers have been cocreating on behalf of Humanity and Mother Earth over the past 50 years.

This activity of Light will enable the Planetary Grid of Transfiguring Divine Love to assimilate the unfathomable influx of Light our Father-Mother God will breathe into it, in a rhythmic momentum, during Humanity's Global focus on the monthly Free Seminars being offered by Era of Peace in the United States of America. The Divine Intent of this influx of Light is to expand the Lightwork of every single person on Earth one thousand fold.

In deep Gratitude for our ability to serve Life in this way, please join in consciousness each month with the Lightworkers gathered at each Free Seminar and the I AM Presence of every man, woman and child on Earth. As One Unified Consciousness, we will join our Hearts with the Hearts of our Father-Mother God and the entire Company of Heaven. As One Voice, we will magnetize from the Core of Creation the most intensified frequencies of the 5th-Dimensional Crystalline Flame of Transfiguring Diving Love that Humanity and the Earth are capable of safely assimilating at a cellular level. And we begin.

EMPOWERING OUR PLANETARY GRID OF TRANSFIGURING DIVINE LOVE

I AM my I AM Presence and I AM One with the I AM Presence of ALL Humanity. As One Voice, One Breath, One Heartbeat, and One Energy, Vibration and Consciousness of Pure Divine Love we invoke our Father-Mother God and the Legions of Light throughout Infinity. Beloved Ones, come forth NOW! (pause)

We are One with ALL of these magnificent Forces of Light. Through our sincere Heart Call, they have joyously come to help Humanity's I AM Presence empower and sustain the Lightwork of every man, woman, and child on Earth one thousand fold.

Beloved Legions of Light, we ask that you gather up every electron of precious Life energy being expended by Humanity during this sacred and holy time. Purify this energy

with the power and might of a thousand Suns using the NEW 5th-Dimensional Solar Frequencies of the Violet Flame of God's Infinite Perfection. Weave this purified energy into the collective Cup of Humanity's Consciousness, so that every electron of precious Life energy released by the Sons and Daughters of God at this time will be used to exponentially expand the Light of God through our Planetary Grid of Transfiguring Divine Love that is now enveloping Mother Earth and ALL her Life.

We accept that this activity of Light is being God Victoriously accomplished right here and right now. We also accept that through Humanity's I AM Presence this activity of Light will be permanently sustained, increasing daily and hourly the maximum that Cosmic Law will allow with every breath we take.

Beloved Father-Mother God, we ask that you now breathe the highest possible frequencies of Divine Love, Oneness and Reverence for All Life into every person's Heart Flame.

In Oneness with the I AM Presence of every person on Earth and the entire Company of Heaven, we now affirm within the Divinity of our Heart Flame:

"I AM the Cup, the Holy Grail, through which the Light of God now flows to bless every particle and wave of Life evolving on this precious Planet.

"I AM my I AM Presence, and I now invoke my Father-Mother God to breathe their Infinite Light into our Planetary Grid of Transfiguring Divine Love. As this exquisite Light blazes through the Grid of Divine Love it bathes the Earth and expands every person's Lightwork one thousand fold."

Now, this unfathomable influx of our Father-Mother God's Infinite Light lifts every atomic and subatomic particle and wave of Life on Earth into a Higher Order of Being. (pause)

As this wondrous Light is anchored within the Divinity of every person's Heart Flame, it expands into the Heart Flame of every other person on Earth unifying Heart Flame with Heart Flame. Through this amazing activity of Light, the I AM Presence of every person becomes a power point of Divine Love and Oneness unified in consciousness with the I AM Presence of every other person.

Through the unified efforts of Heaven and Earth, we are empowering our Planetary Grid of Transfiguring Divine Love. This Forcefield of Light is extending from the very depths of Humanity's pain and suffering into the highest frequencies of the 5th-Dimensional Realms of God's Infinite Light. This Grid of Divine Love is the **Bridge to Freedom** over which this blessed Planet and ALL her Life are now Ascending into the 5th-Dimensional Realms of Perfection on the New Earth.

Through this activity of Light, we are reclaiming our Divine Birthright as Sons and Daughters of God as we become Love in action. We are collectively changing the core vibration of the primal Light substance, which has gone into creating the present

negative conditions that are surfacing all over the Planet to be healed and transmuted into Light.

This activity of Light is bringing into tangible form the archetypes for the patterns of perfection for the New Earth. These patterns are now flowing into the heart and mind of every man, woman, and child through the Mental and Emotional Strata of this Planet.

The I AM Presence within every person is the Open Door for these resplendent patterns of Divine Love. We are the CAUSE of Divine Love now being re-established on Earth. Together we are setting in place the basic Spiritual Forces of Divine Love over which the Earth and ALL her Life are at last Ascending out of our long exile in darkness into the 5th-Dimensional Realms of Light associated with the New Earth. The Love of God is now thriving on Earth through each of us, and through the I AM Presence of every person on the Planet.

Through this activity of Light, Humanity is being raised into a profound awakening of Supreme Love Consciousness. We are, here and now, the Masters of Love we were always destined to be. We are Beings of Love, accepting responsibility for Loving this sweet Earth and ALL her Life FREE. We are One with this blessed Planet, and the Planet is One with us.

Our Father-Mother God and the Company of Heaven are now intensifying their Light through every person's Heart Flame. This influx of Light is lifting ALL Humanity into a higher octave of Divine Service. Every person on Earth is being permanently invested with a Cosmic Forcefield of Divine Love. This forcefield is initiating each of us into a Higher Order of Service to Humanity and the Light. Our Lightwork is being intensified one thousand fold through the Planetary Grid of Transfiguring Divine Love every single day.

Beloved Father-Mother God, we accept that this activity of Light is being God Victoriously Accomplished, even as we Call. And so it is!

Beloved I AM, Beloved I AM, Beloved I AM That I AM.

OUR PLANETARY GRID COASTER

To assist with the Divine Alchemy of transforming our physical, etheric, mental and emotional bodies into the higher frequencies of Vibrant Health and Eternal Youth that we will abide in as we progress through the Ascension process we are NOW in the midst of, the Company of Heaven has inspired us to produce a beautiful **stone coaster** with the image of the Planetary Grid of Transfiguring Divine Love on it. Our Father-Mother God and the Beings of Light have told us that they are encoding the Light from our Planetary Grid into the image on every coaster. They said that when we set our beverage or our dinner plate on the coaster the frequencies of Light infused in our Planetary Grid of Love will purify and raise the vibration of our food and drinks. This will assist our I AM Presence to accelerate the Transfiguration of our Earthly Bodies.

As is true with the poster, every time higher frequencies of Divine Light are infused into our Grid of Transfiguring Divine Love our Father-Mother God and the Company of Heaven will encode these new frequencies into the stone coasters. This too is a Gift from On High that will occur no matter where the stone coasters are or when they were purchased. If you are interested in having one or more of these powerful stone coasters they are available on our website. Here is a direct link to the stone coasters:

A POSTER OF OUR PLANETARY GRID OF TRANSFIGURING DIVINE LOVE

A wonderful artist named Endre Balogh has cocreated for us an exquisite image of our Planetary Grid of Transfiguring Divine Love. We have made this powerful multidimensional image, which is reflecting the various colors and patterns of Sacred Geometry pulsating within our Grid of Love, available on a **poster.** Every time higher frequencies of Divine Light are infused into our Grid of Transfiguring Divine Love our Father-Mother God and the Company of Heaven will encode these new frequencies into the image on the posters. This is a Gift from On High that will take place no matter where the posters are or when they were purchased. If you are interested in having one of these powerful posters they are available on our website. Here is a direct link to the poster:
