Warranty Terms

VOOPOO will provide repair or replacement under warranty according to the following conditions:
A. Warranty provides repair or replacement free of charge for defects in eligible VOOPOO merchandise within 180 days of purchase by the end user.
B. The warranty does not cover the following circumstances:
* The customer does not provide a valid warranty card and the original receipt of purchase.
* Merchandise failure or damage is caused by improper use or improper installation.
* Merchandise failure or damage is caused by improper repair or maintenance by unauthorized personnel.
* Merchandise failure or damage because of negligence (wear or broken) and improper use, storage, maintenance, or accidents.
* Merchandise failure or damage by cause of water or other external sources.
* Merchandise failure or damage by cause of leakage of battery electrolyte.
C. The warranty does not cover parts that are consumable (such as cotton, coil, glass tube, battery, charging port, O-ring, silicone ring, atomizer, and USB cable).
D. If a warranty claim arises, we will provide VOOPOO customer service with the following information: the serial number of the product, the type of the fault, and a detailed description of the problem.
For more information, please visit our website at www.voopoo.com or email us at support@voopoosmart.com.
