

### CoachDeck Testimonials

“Your products are great! I am the manager for my team in the Hammond Optimist Youth Sports organization in Hammond, IN. I have personally turned several coaches in both softball & baseball, in all levels from t-ball to majors, to your product. It is a great help to set up practice and have my other coaches follow a cadence for what I want to accomplish with the team when I can't be to practice. Keep up the great work, and THANK YOU, for an outstanding product.” - *R.A. Hammond Optimist Youth Sports*

“(CoachDeck) offers our coaches the confidence they need to conduct quality training sessions. Also, our DOC's for the select and academy programs are clamoring for your product! This is the best soccer training product for coaches that I've ever seen.” - *C. Garner, President, Tucker Youth Soccer Association*

“CoachDeck allows me quick access to drills and I can put a lesson plan together for the day in less than 10 minutes. The staff look at the cards and run the drills, it is (as you advertised) that easy. The coding of the cards is also a great feature. The color-coding and the "I/G/T" make it easy to use and allows me quick access to a type of drill I want to run. Also the type of drills are varied enough from beginner to advanced that I've been able to provide appropriate lesson plans for ages 7-14. I am very happy with this product.” - *M. Rice, Director, Arcata Basketball*

“I absolutely LOVE them!! I am just so excited about these cards!! I was always willing to help out with my youngest son's (now a high school sophomore) team, but found myself being the coach - not something I felt qualified for. I did get my coaching licenses, but that really didn't give me much more comfort. Something like this would have been perfect - it would be easy to get a drill figured out and - as I said - just as easy to spread out the cards and have a kid pick one out. They will easily fit into the coaches bags we give them - or however else they want to carry them around.” - *C. Johnston, President, Oregon (Wisconsin) Soccer Association*

“The decks were a huge hit! We had a coaches meeting and asked how many wanted one. Every hand went up so we ordered them for the entire league!” - *L. Oetzel, Treasurer, Silvis Youth Baseball*

“The coaches love the decks!” - *M. Harrington, Director of Coaching, North Scott Soccer Association*

“The CoachDeck program is one of the most effective teaching tools to help coaches become better at teaching and practice management. In our first year of using them, we saw practices at every level from Tee-Ball to Juniors Baseball become more effective, creative and enjoyable for the players. In 2007 VSSL accomplished a clean sweep of all Seven District Championships, with an additional four State Sectional Titles and Two Florida State Championships in baseball and softball. I would strongly recommend the CoachDeck program to help your league's coaches become more effective at practice management.” *J. Piersall, President, Viera Suntree Little League*
