ANGLERS ONLY MANIFESTO

Life is short. Fish more.

If you don't have time to fish more, stop watching TV and looking at Instagram.

NEVER FORGET WHY YOU STARTED

Fishing should be fun. If it's not fun, you're doing it wrong.

REMEMBER...

"The gods do not deduct from man's allotted span the hours spent fishing."

(Herbert Hoover)

SPARE A THOUGHT FOR PEOPLE WHO DON'T FISH

They had to grow up. They don't know what it's like to lie in bed, unable to sleep, the night before a fishing trip.

ALWAYS LOOK OVER BRIDGES

It's what we do. It's what we'll always do.

LEAVE NO TRACE

Pick up litter. Even if it's not yours.

Take only what you need

TEACH SOMEONE ELSE TO FISH

Helping someone catch their first fish is like catching yours all over again.

BE GOOD TO PEOPLE (INCLUDING OTHER FISHERMEN)

Everyone else is fighting a battle you know nothing about.

IMAGINE A LIFE WITHOUT FISHING

Not cool, is it? Let's make sure tomorrow's fisheries don't die on our watch.

SEE YOU OUT THERE...
