## GOOD-LOOKING GODDESS

WINTER MIGHT BE JUST AROUND THE CORNER, BUT DON'T GO REACHING FOR THE BULKY LAYERS JUST YET.

Montreal designer **Stacey Zhang's** Fall/Winter line proves that you don't have to sacrifice feminine lines during frigid temperatures. Inspired by the stylish drape of Grecian goddesses, Zhang has divined a sumptuous collection featuring limited-run pieces made from cashmere, wool and organic bamboo.

We love her sheer, high-necked black and white blouse with back-hanging bow (\$125), and the vibrant sweater dress with oversized flowers and built-in slip (\$195) is a stroke of genius.

Bring on those sub-zero temps!
