

# EASEL HINGES

**P**icture Perfect...That says it all about Craft Inc's line of patented Easel Hinges.

Each of our hinges was designed to ensure you'll receive the highest quality, self-fastening hardware in the market-place today. In fact, our innovative, patented design has become the worldwide industry standard as an alternative to labor-intensive, rivet-type hinges.

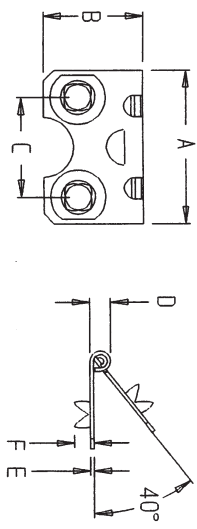

Our easel hinges are easily installed with our Champ III manual press, our hand fed pneumatic Easel Hinge Machine, our Automatic Easel Hinge Machine and our new Automatic Easel Back Machine.
