

Silky olive cleanser

– for everyday cleansing

Why use this cleanser?

- › Pure olive oil is ideal to keep the skin soft and supple.
- › Natural PH balance- no toner is required.
- › Super fine 'invisible' texture which will not clog pores or dry out skin.

Directions:

Wet and rub this solid olive oil cleanser several times with fingertips or sponge to create a super fine viscose which will not lather, instead producing a translucent silkiness while effectively cleansing the skin.

Reviving face and body exfoliant

– for clearer, younger, radiant skin

Why choose this exfoliant?

- › Sea salt is one of nature's best exfoliants releasing minerals and reviving the skin.
- › Ideal for helping blemished skin through the natural antiseptic effects of sea salt, colloidal silver and Totarol (a rare phytochemical with potent antioxidant and anti bacterial properties).
- › Plus sweet almond and jojoba oils for extra nourishment.

Directions:

Using finger tips gently pat and massage onto dry skin to remove dead skin cells.

Treatment:

Wait for two minutes before rinsing to allow the sea salt & white clay to act as a natural detoxifier and provide extra skin softening.

Rejuvenating face superfood

– for complete nutrient rich day & night skin rejuvenation

Why choose this moisturiser?

- › A nutrient rich cream with an exquisite texture that penetrates deep into the skin.
- › Provides extra hydration for a plumped appearance.
- › Rejuvenates dry, damaged or aging skin, helping to aid the long term prevention and diminishment of wrinkles.
- › Preserve connective tissue with the super oils of acai, tamanu, rosehip, calendula, evening primrose and sweet almond.
- › With the softening properties of shea butter, and camu camu for tone and elasticity.

Directions:

For an instantly beautiful appearance apply freely, gently smoothing into the skin.

Treatment:

For a re-energising & rejuvenating skin nutrition treatment apply Citrus Lotion, wait one minute and apply Face Superfood.

Refreshing citrus lotion

– for weightless vitamin rich skin nutrition

Why choose this moisturiser?

- › Rosehip & carrot oil, aloe vera and camu camu act as a rich source of naturally occurring vitamins A, C, D, E and essential fatty acids for skin freshness and vitality.
- › Camu camu possesses the highest concentration of vitamin C (known for boosting collagen production) from any fruit. As an astringent, it helps to reduce pore size.

Directions:

Apply this speciality moisturizer after cleansing, shaving or exfoliating to achieve a perfectly smooth matte skin finish. Ideal under makeup or other Vision moisturisers as a rich first layering of skin nutrition.

Nourishing eye & face cream

– for light yet nourishing day or night moisturising

Why choose this moisturiser?

- › A convenient 2-in-1 with a velvety feel suitable for all skin types.
- › Mild sun protection factor from shea butter.
- › With acai, rich in vitamin E for tissue regeneration, and phytosterols that protect the superficial layer of the skin from wearing away.
- › With pure rose absolute, the queen of floral oils, for softening, rejuvenating and a divine rose scent.
- › Plus sweet almond oil / shea butter / gotu kola / colloidal silver for extra skin protection, repair & nourishment.

Directions:

Use morning and night to nurture and bless the skin after cleansing.

Anti-Oxidant Rich youth serum

– for an intensive skin regeneration treatment

Why choose this treatment?

- › Especially for softening and regenerating mature, dry or damaged skin.
- › For an un-matched source of nature's most powerful youth enhancing super oils possessing: essential fatty acids (omega's 3, 6, & 9), skin nutrition vitamins (B1, B2, B3, E, and C), minerals (phosphorus, calcium, and potassium) and high levels of polyphenols, anthocyanins, and phytosterols.
- › With acai for the highest per unit value of antioxidant power (ORAC) of any edible fruit in the world.
- › An exotic nutty signature represents the natural scent & exceptional skin softening properties of tamanu oil.

Directions:

Apply sparingly at night by slowly working into the skin tissue. Wait 10 minutes before applying under-makeup.

Treatment:

For an intensive re-energising and regenerating skin nutrition treatment apply Citrus Lotion, wait one minute and apply Youth Serum.

Revive eye gel

– for reducing puffiness and reviving firmness

Why choose this eye gel?

- › Aloe vera is the supreme herbal ingredient to provide the cooling astringency to help reduce puffiness and lighten dark shadows.
- › Acai adds the essential fatty acids needed for skin nourishment.
- › Camu camu extract supports skin firmness and elasticity.
- › Gotu kola herbal extract assists skin healing & regeneration.

Directions:

Apply by patting gently with fingertip to revive, soothe and tone the delicate skin around the eye area.

Advanced eco-packaging design

Synergise with nature's most beneficial and suitable elements

Stylish yet minimal packaging that is biodegradable, compostable and incorporates a refill / recycle system. Plant based adhesive labels made from wood cellulose and corn. All swing tags and wrap tags are sourced from sustainable forestry or made with recycled paper and are printed with soy inks. We use potato filler in boxed packaging and place your purchase in a vegetable oil based bag or an organic cotton bag when you walk out the door. And it looks stunning – **we've made 'green' look sexy!**
