## Instruction Sheet

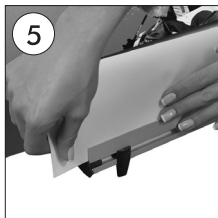

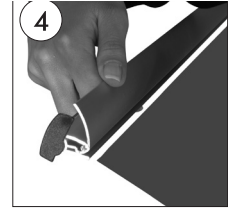

### Hilltop Banner Stands

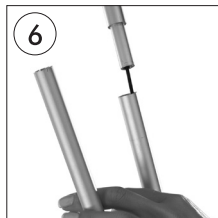

• Form the base in T position and fix it by turning the plastic connector.

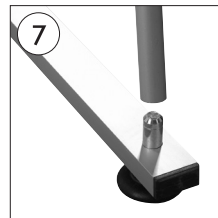

• Open the top clamp profile and place in the poster.

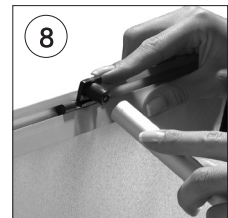

• Open the clamp connected to the foot and place in the other end of poster.

• Complete the assembly of 3 part pipe.

• Place the assembled pipe into the base hole.

• Placing the back connector, hang the banner to the pipe.

• Optional with extra cost.
