## Floorstand

### SwingSnaps Floor Sign Holder

## INSTRUCTIONS

#### Step 1

Stand frame on its side on top of shipping carton. Position legs against frame, making sure to line up holes on base with holes on the springs.

#### Step 2

Screw the legs into the frame

#### Step 3 (To Place Graphic In)

Lift up side rails and slide clear overlay out.

#### Step 4

Slide graphic and overlay in and flip close rails.
