Instruction Sheet

Street Master Rolling windstand Pavement Sign

WARNING! Please use the wrench enclosed and tighten carefully. When tighten too much, the base can breach.

WINDPRO FRAME PART

• Connect the frame by positioning the bolts at its bottom part that can fix into the mounting holes of the water base.

• Fix the 2-hole washers on to the bolts when the waterbase is turned back.

• Fix the nuts on the bolts, and with the help of a spaner make it tightened. This will complete the assembling process.

POSTER CHANGE

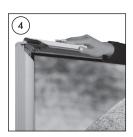

•Open all profiles.

•Take-off the anti-reflex cover.

• Place in the poster. After placing the cover back on the poster.

Close the profiles.

- •Please inform the order number on the product or on the carton (e.g. 1/110001394-460) to the place that you have made the purchase if any problem with the product occurs.
- •All rights reserved. All pictures, figures and writings are secured internationally by copy-right law. Infringements will be sued by civil and legal law.
