

No - Melt Sundae Pie

One of my favorite smooth and creamy pies!

Servings: 10

15 OREO Cookies, crushed (about 1-1/4 cups)
3 Tbsp. butter, melted
1 tub (8 oz.) COOL WHIP Whipped Topping, thawed, divided
1 pkg. (3.4 oz.) Vanilla Flavor Instant Pudding
1 cup cold 2% milk
2 squares Semi-Sweet Chocolate, melted
1/3 cup canned sweetened condensed milk

MIX cookie crumbs and butter; press onto bottom and up side of 9-inch pie plate. Reserve 1/2 cup COOL WHIP; refrigerate until ready to use.

BEAT pudding mix and 2% milk in medium bowl with whisk 2 min. Stir in remaining COOL WHIP; spoon into crust. Mix melted chocolate and condensed milk; spoon over pie. Swirl gently with knife.

FREEZE 6 hours or until firm. Let pie stand at room temperature 15 min. before serving to soften slightly. Top with reserved COOL WHIP.
