

## Vanilla Chiller

For a adult twist just add a little Kahlua. Yum!

**Servings:** 3 servings, about 1 cup each

- 1 cup brewed Vanilla Flavored Coffee, chilled
- 4 triangles (1/3 of 3.52-oz bar) Swiss Dark or Milk Chocolate with Honey and Almond Nougat, coarsely chopped
- 2 cups vanilla ice cream, softened
- 6 Tbsp. Whipped Topping
- 3/4 tsp. grated Semi-Sweet Chocolate

PLACE coffee and dark chocolate in blender; cover. Blend on high speed until chocolate is chopped into small pieces. Add ice cream; cover. Pulse until smooth.

POUR into three tall glasses; top with whipped topping and grated chocolate.

SERVE immediately.

SUBSTITUTE Try preparing with either low-fat chocolate or coffee frozen yogurt instead of the vanilla ice cream.
