## FALL PROTECTION | FULL BODY HARNESS

### PARAGON

Part No. 129PT

#### DESCRIPTION:

The PARAGON was designed to the highest safety standards with your comfort in mind. Research and feedback from the workers in the field bring this *Model of Excellence* to the market. The non-tangling, vest style has full shoulder and upper back padding, padding at the waist belt and hips all offering the wearer relief from pressure points. All pads are designed to wick moisture and dry quickly. Surpassing all OSHA, ANSI and USACE standards, the PARAGON is the harness for the highly skilled and discriminating craftsman.

#### FEATURES:

- Back D-ring for fall protection
- Side D-rings for positioning
- Heavy duty friction torso adjusters
- Pass thru chest buckle
- Tongue buckle legs
- Built-in lanyard retainers
- Full upper back and shoulder padding
- Heavy duty padded back and hip support
- Removable tool belt
- Protective covering on ID & Inspection Tags

### PARAGON DIAMOND

Part No. 127LW

#### DESCRIPTION:

All the great features of the original PARAGON but with *Quick Release!* buckles at the chest and leg straps.

All PSP harnesses meet or exceed all applicable OSHA and ANSI standards.

Manufactured in the U.S.A.

The PARAGON can be customized with your choice of buckles, web colors, web material (think Kevlar®!), covered hardware and company personalization/logos. Non-stocking items & Personalization are by special order only. Call for quotes.
