Pro Roofer's Kit

PART NO. 300WP-0

The Professional Contractor Roofer's Kit includes:

- Full Body Harness with 5-Point adjustment, tongue buckle/grommet leg straps, spring-loaded friction buckles on shoulder straps for quick and easy adjustment that stays in place, rear lumbar straps provide security against rear worker release.
- Adjustable, Shock Absorbing Lanyard allows worker to shorten the length of the lanyard to decrease free-fall distance, Surelock™ connector.
- Premium, pliable 3-strand, 5/8" poly-dac rope, combines the superior abrasion resistance of polyester with the economy of polypropylene Premium Captive Eye Surelock™ in the eye of one end ensuring no loss of connector for rope.
- Self-trailing Rope Grab, advanced technology design enables the rope grab to automatically lock in place in case of a fall while absorbing much of the generated energy. Easily attached, detached and repositioned at any point on a vertical lifeline.
- Sturdy, Reusable D-Ring Anchor is easily installed and removed from trusses or sheathing, allowing repeated uses from job to job. Fits any roof peak up to 12/12 and can also be mounted perfectly flat.
- Convenient transport and storage bag.

Meets all applicable standards for fall arrest, including OSHA, ANSI and the stringent ANSI Z359.

Note and Warning:

Preferred Safety reserves the right to change and improve specifications, design, configurations, components, details and pricing at any time without notice. Check with Preferred Safety for any newer versions of products or instructions or warnings during the life of your product. The product is developed in accordance with OSHA standards in effect at the time of manufacturing. Users should remain aware of any changes in Safety and Health Laws or Standards in the Jurisdiction in which the user is operating and using Preferred Safety products.
