Features:

At Preferred Safety, we take pride in providing you with the highest quality PPE. Our sleek, lightweight economy glasses offer comfort and efficiency for both men and women.

We offer a variety of hard hats, from the 6-point ratchet suspension of the Titanium to the V-Gard, Skullgard and the Fibre-Metal. All are E-2 SEI certified to meet ANSI Z89.1, 2003 Type 1, Class E, G or C.

Preferred Safety's economy Class 2 vests offer compliant protection at an economical price. They are an excellent choice for extreme work environments like asphalt paving that greatly reduce the useful life of a vest, or protection for short-term labor.
