## MIGHTY LINE FLOOR TAPE PRODUCTS

# Mighty Line Floor Tape

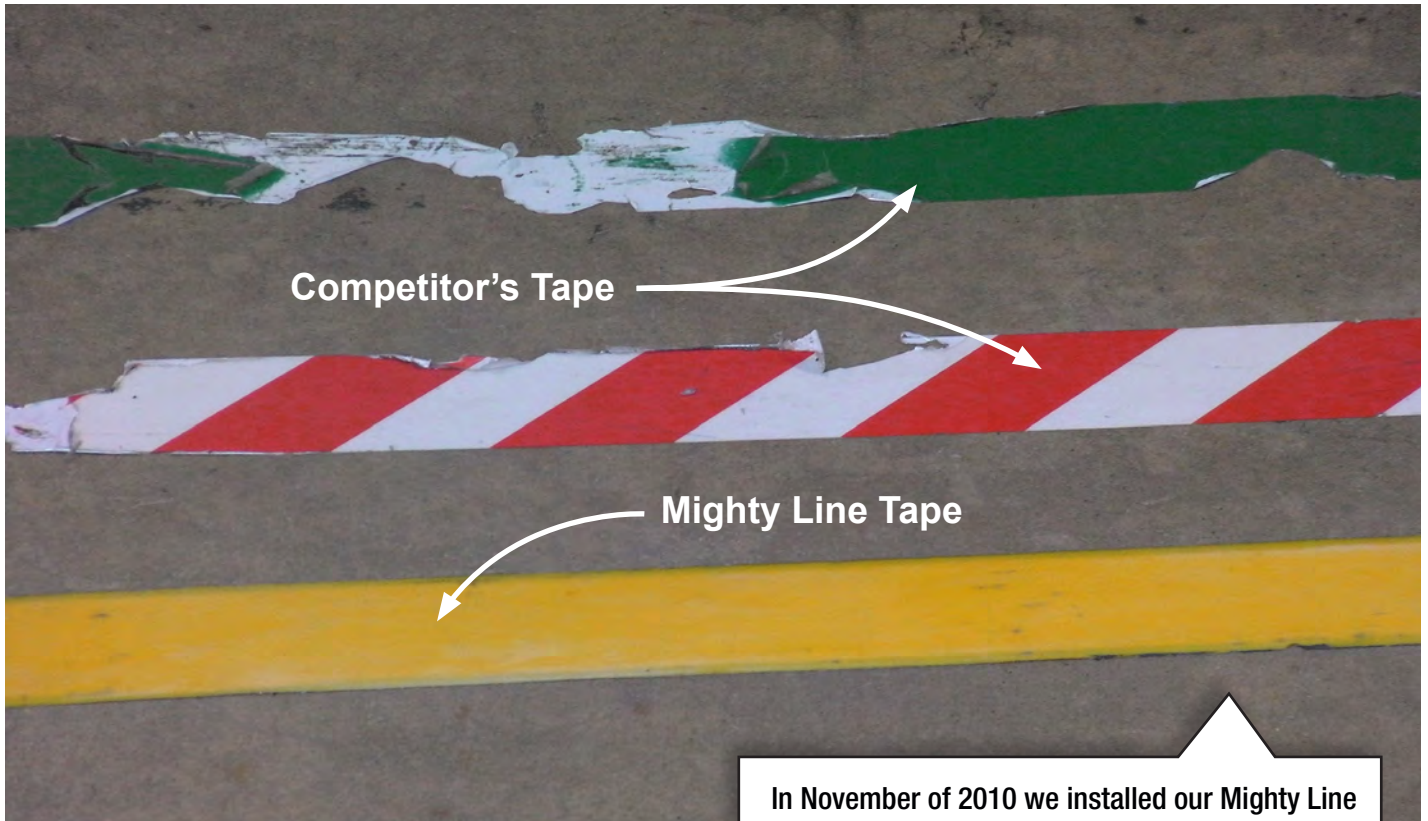

Mighty Line patented floor tape is the most durable and easily installed floor tape available. Mighty Line floor tapes are available in many colors and patterns, and are produced in 4 widths.

## Whose Tape is Tougher?

### Benefits of Mighty Line!

- Segregating pedestrian traffic from motorized vehicles.
- Illuminating walkways during power failures.
- Utilizing Mighty Line organizing floor markers for 5S lean manufacturing improvements.
- Color code to show specific location areas with different colored Mighty Line floor tape.
- Mighty Line floor tape is easy to install and lasts!
- Our floor tape comes with a 3 year limited warranty.

In November of 2010 we installed our Mighty Line tape and a major competitor's tape side by side in an aggressive test area that is frequently travelled by forklifts carrying heavy loads. Nine months later, we revisited this site to compare the results.

**Mighty Line tape is the yellow tape.** The competitor's tape is the red and white and green tape. Notice the major gouges and flaws in our competitor's tape versus our mostly intact Yellow Mighty Line tape.

## Organize your facility with Mighty Line 5S Products!

# Mighty Line NEW Rodent Line *Makes it Easier to Detect Unwanted Critters!*

←  
**Mighty Line  
Sanitation  
Line Tape...  
18" Wide!**

Mighty Line's **Sanitation Line** is a **NEW** product we offer to help detect unwanted vermin before they enter your plant or warehouse.

Most vermin infestations originate from habitats immediately adjacent to or close to the building exterior. The maintenance of a clean and unobstructed continuous *Sanitation Line* along the entire interior side of your plant or warehouse's exterior walls in one of the most important aspects of sanitation pest management. Without this *Sanitation Line*, pests can easily remain undetected and cause contamination.

With Mighty Line's New **Sanitation Line**, application is easier and much quicker than traditional methods.
