**Belmondo Organic
Skin Care \$9.95-\$51.95**

Using olive oil sourced from her homeland in Italy, organic ingredients like apple cider vinegar, and fragrant herbal oils like lavender and rose, Vancouver-based Daniela Belmondo has created a lush, natural skin care line that is impeccably packaged in frosted glass bottles and jars. Our favourites: the calming After the Rain Face Toner and The Nectar Hand and Body Butter, scented with orange, mint and cinnamon. (Belmondo.ca. Available at Le Marche St. George, 4393 St. George, 604-565-5107; Prettier in Green, 3633 Main, 604-709-0080; Nadia Albano Inc., 825 Granville, 604-682-3106).
