SINCE  
1949

[hauserstores.com](http://hauserstores.com)

We believe in Living Life to the fullest, Outdoors.

This philosophy was first established by our founder, John Hauser over 60 years ago. An Austrian-trained fifth-generation blacksmith, John moved his entire family to Canada and set up for business in his basement in 1949 under the name John Hauser Ironworks, creating ornamental wrought-iron fixtures. John's passion for living and enjoying life outdoors later forged his interest in creating outdoor patio furniture. His quality craftsmanship and attention to detail have made Hauser the leader in the outdoor furniture industry. Today, Hauser remains a private Canadian family owned company run by the third generation of the Hauser family.
