4R Planet Products Fundraising Program

Every year in Canada thousands of groups and individuals seek out a fundraising program that is right for their organization. ***Fun, high profits, easy to sell, easy to run*** are all criteria fundraising program coordinators look for. **4R Planet Products** has developed our fundraising program keeping those criteria in mind. Perfect for schools, sports teams, and other non-profit organizations, **4R Planet Products** fundraising program offers an ***innovative line of environmentally conscious products***. Fundraising with **4R Planet requires significantly less work for your administrators and volunteers as well as provides ongoing revenue generation**. Your fundraising group now has the opportunity to not only raise the money it needs, but to have an impact on your community. Show your supporters that your group is making a difference by choosing earth friendly fundraising products. You can feel proud about offering parents and community members a chance to reduce waste and contribute to your cause at the same time!

Website Drives

Website Drives are the quickest way to start earning money. Once your organization is registered, you can start earning immediately. Our website contains product features, specifications and available colour options.

Your organization will be assigned a personalized code to ensure funds are directed to your organization. During your initial "Website Drive" period your organization will earn ***45% * of the retail price on all purchases*** made by your supporters. At the end of your Web-drive your complete order will be shipped to your affiliate address for sorting and delivery to your supporters. All product will be delivered to your organization within 10 business days of receipt of the completed order.

Colour Catalog Drives

4R Planet Products will provide you with 5-page colour catalogs*** and order forms branded with your organizations information. Together we will set a time period for your drive. During that time your organization will earn **45%* of the retail price of all purchases** made by your supporters. Supporters buying online, using your organizations personal code, will not be charged shipping. All online orders will be included with your catalog orders for distribution. All product will be received by your organization within 10 business days of receipt of the completed order.

Hybrid Drives

4R Planet Products will provide a one-page catalog*** for distribution to your supporters. Orders can be collected on the attached order form OR supporters can place orders online using your organizations code. This option is greener than the 5-page colour catalog, but gives less tech-friendly supporters a way to participate. You keep **45%* of the retail price of all purchases!** All online orders will be shipped together to your organization at the end of your fundraiser for distribution.

4R Planet Products premium shopping accessories are a wise environmental choice, meeting the need for convenience and style. Our participation in 1% For The Planet supports projects and initiatives that replenish the earth. Together we can make a choice to change and improve our efforts to be environmentally responsible.
