

Technical Specification Sheet

Mirror Ball

A highly reflective shade inspired by the space helmet.
Available as a floor, pendant or stand light in three different sizes: 50cm, 40cm and 25cm.

Process	Mirror Ball Floor is formed using a technically advanced process of vacuum metallisation. The process involves vaporising a small amount of pure metal at a very high temperature and then sucking it on to a surface by applying an electrical charge. Extremely small holes can appear at times within the metal coating due to environmental conditions.	
Year of design	2003	
Material	Polycarbonate, aluminium	
Product code	Mirror Ball 25cm	MBB25
	Mirror Ball 40cm	MBB40
	Mirror Ball 50cm	MBB50
Type	Pendant Light	
Fitting	Pendant Fitting	MBA01EU / MBA01UL
	Pendant Fitting (MBB25)	MBA03EU / MBA03UL
Colour	Chrome	
Certifications	BSEN Certified	
Cleaning instructions	Clean with a soft dry cloth only. Do not use polishing agents, water or abrasive materials when cleaning. Always switch off the electricity supply before cleaning.
