

Void

A series of lights that reference the Olympic medals. The recessed shape concentrates the light into a focused beam. Available as a pendant light only.

Process	Metal spinning and hand forming – Made from pure metal with a 5 part tool, the parts are pressed, spun and braised to form a complex double wall shade. They are then hand polished to create a mirror surface. The lacquer is applied so the surface maintains its high gloss finish.	
Year of Design	2010	
Material	Brass, Copper, Polished Stainless Steel	
Product Code	Void – Copper Void – Brass Void – Stainless Steel	
Type	Pendant Light	
Fitting	Pendant Fitting	VOA01EU BLA01UL
Colour	<ul style="list-style-type: none"> ● Copper ● Bronze ● Polished Steel
