

Secto Design

4201

Northern lights. Crafted by hand in Finland, Secto Design Oy lamps are an elegant study in Scandinavian simplicity. Light radiates through slats of birch in architect Seppo Koho's designs, true to his credo that "light should softly invite people to come closer."

The Secto 4201 is a compact pendant lamp that can be clustered for visual impact or hung as a single fixture to dim, dramatic effect.

Ordering Matrix

Model

4201

I (Medium Base Option)

1 x 60W Max A-19

1 x 18W CFL Spiral
