Press Button.

PAIRING THE SPEAKER TO BLUETOOTH DEVICE
Make sure the Bluetooth function is available on your cell phone. Specific pairing procedures will be different depending on different cell phone. For detailed information, please refer to your cell phone’s User Guide.

1. If a device connection is made within 10 minutes of the speaker being switched on, the speaker will automatically be switched off to save power.
2. After a successful pairing, devices will memorize each other. Therefore, no pairing will be needed next time.
3. Keep the distance between the cell phone and the speaker within 3 feet (for pairing only).
4. Turn on the speaker by pressing and holding the Power Button for 3 seconds.
5. The tone prompt will sound and the LED light will flash blue. The unit will automatically enter into pairing mode.
6. Activate the Bluetooth function of the cell phone to search for the Bluetooth devices. After finishing the search, select “Tzumi-AquaBoost” in the device list displayed.
7. Your AquaBoost speaker is ready for use.
