INSTRUCTIONS:

Step 1: Download the game to your mobile device. Using your device’s browser, go to the game’s landing page—From there you will find the app store page for the device iOS or Android.

Step 2: Connect your Bluetooth controller to your device. Make sure Bluetooth is active on your device. Click on the game and then click on “Connect” on the right-hand side of the page. The controller will pair to the game on your device.

Step 3: Tap on the game icon to launch the app. To pick your character choose, choose the avatar that you feel best represents you. For the sake of not spoiling the beginning of your experience, you cannot pick the same character you can paint it in the color of the game that came with your headset. Note: Once you choose a character you cannot switch.

Step 4: Choose the Power Cube. Once you have chosen this option, the game will automatically begin. In the game, you will be in a building that is surrounded by zombies. Your goal is to survive as long as possible.

Step 5: Your goal is to survive as long as possible. You will have a time limit of 10 minutes. Use the Power Cube to power your survival. When the Power Cube runs out of power, you will lose the game.

Step 6: Follow the in-game instructions for more details on how to play; these instructions are available in the app.
