**PAIRING TO BLUETOOTH DEVICE (CONTINUED):**
1. Turn ON the speaker by pressing the Power button.
2. Keep the distance between the cell phone and the speaker within 3 feet (for pairing only).
3. Activate the Bluetooth function of the cell phone, to search for the Bluetooth devices. Select “Super Bass” from the list and wait for the audible tone. No Code is required.
4. Press “yes” or “enter” key to confirm the successful pairing.
5. After the successful connection, the tone will sound and the blue light of the speaker will flash quickly twice every four seconds.

**CONNECTING TO OTHER BLUETOOTH DEVICES**
Note: Your speaker can only be connected to one Bluetooth device at a time.
1. In order to connect to the other Bluetooth device, you must first close the current Bluetooth connection.
2. Follow the above steps (under PAIRING TO BLUETOOTH DEVICE) to pair your speaker to another Bluetooth device.
