HARDWARE CO-OP LTD

January 2012 Newsletter

Dear Pollock's Hardware Co-op Members,

This is what's currently happening at Pollock's Hardware Co-op.

Members Weekend

If you are a member of Pollock's Hardware Co-op come in on the last weekend of January (the 28th and 29th) and receive 10% off and up to 50% off on selected items.

The Website

Our new website is up and running! Please visit! If you already have come take another peak. It is a constant work in progress. We are always adding new things. To keep up with the new, to keep in touch with the past and to just keep it fun. New updates of the website include photos and a video on 765 Main.

There will be some more photos on products, events and more. Maybe even a sneak peak in to the characters behind the board and some of your friends who help you in store. So please come visit us at

765 Main

Our new warehouse at 765 Main is now under construction and moving towards an opening date of May 1st, 2012. Stay tuned for more information on products, hours, etc.

The artists are settling in upstairs, the construction in the offices for BUILD are coming along and looking great. Progress is smooth and we are all very happy with the development of 765 Main. It is proving to be a great investment for us at Pollock's Hardware Co-op and the community.

There is still alot of work to be done though. Purchasing through the warehouse its self is not yet available.

All purchases are still through our main location. All enquiries for large quantities of products (toilets, insulation, etc.) contact mike at manager@phco-op.ca and he will do what he can to set you up with what it is that you need. We will do our best to keep you updated on the progress at 765 Main. We want to ensure the best service, to make it most convenient for everyone and to keep you informed on new the products and services that we bring in. We don't want you to miss out. For more information on 765 Main please visit the website. There you will find photos and a great video on 765 Main. The video will take you for a tour of the building and introduce you to everything that is happening in there.
