Nomad Brush: A Unique Paintbrush for the iPad is Launched.

Portland, OR, February 8, 2011 - NomadBrush LLC is pleased to announce the release of the highly anticipated Nomad Brush, a unique paintbrush for creating on the iPad. Nomad Brush is suitable for digital artists of all backgrounds, offering freedom to create fluid brushstrokes that are effortless and immediate. It is unlike any iPad accessory on the market today.

Each brush is carefully handcrafted, featuring soft, flexible bristles made from a blend of natural and conductive fibers. This simple and elegant design delivers instant feedback to the artist, making it a perfect tool for drawing and painting on the iPad or any capacitive touchpad device.

Future product line will include smaller and larger brushes with various handle lengths.

NomadBrush LLC is new company employing artists and craftsmen dedicated to creating exceptional tools that will be embraced by artists and inspire creativity.
