*Who better than a  
fine artist to help  
with your jewelry?*

# Remember!

For your arms only ...

*She wanted to save  
an old watch ...*

I REMEMBER DANCING RAIN -  
silver sparkles slicing  
hard - through clouds  
then - the sky opening  
oh joy, oh joy  
- TINY BIRD SONG -

*The old watch was transformed  
into art by Duckie.*

# *Just Sing!*

REDESIGN - Smokey quartz from  
her mother's ring plus diamonds  
*... now into a pendant by  
Duckie*

"Ask yourself, "What makes my  
heart sing?" and then do it."  
- Judith Pepper

*Give*

*Meaning*

... adding her sacred stones  
of meaning ...

# Sparkle!

REDESIGN - She wanted to lavish a  
Rothenberg with more diamonds ...

“This may be the most important  
question I ask myself today,  
“What is my pleasure?”  
- Judith Pepper

*Choose . . .*

CUSTOM - She chose Life in Lapis Lazuli curated by Gary Bowersox, gem hunter and .... a very custom pendant by Richard Rothenberg.

# *Sing & Play!*

50 years of love fulfilled  
... the music of dreams

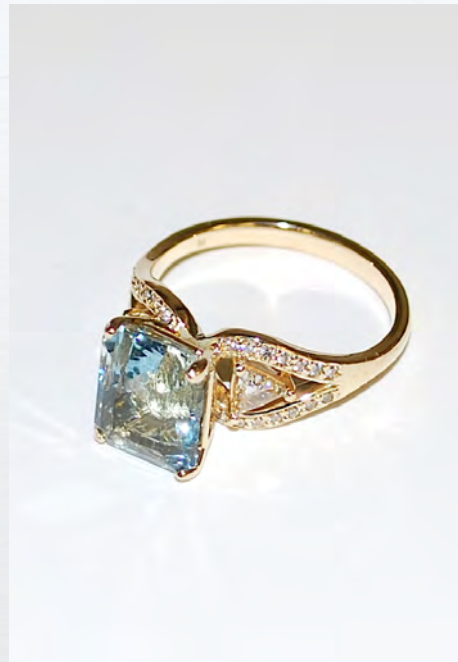

TOURMALINES and CANARY DIAMONDS - set in ROSE GOLD

# Polish . . .

HE SAID, "My darling,  
grow your nails and I'll give  
you a ring to match your  
new aquamarines!

Go ahead, make my day! I'll  
have laughter, joy, extra pros-  
perity and abundance, a splash  
of courage and a dash of sass.  
- Judith Pepper

*Expect It*

FROM the WORLD'S TREASURES, Duckie curated  
AQUAMARINES ... plus diamonds and gold. A perfect  
project for her MASTER GOLDSMITH.

*to Fly ...*

...Fly!

... to his HEART,  
... to his HEART,  
as HE has flown to yours.

IT WAS a special ANNIVERSARY between two international travelers. Duckie was chosen to search the world for the finest AQUAMARINES.

"Perfect day for flying! Do you have your ticket?" - Judith Pepper

*Share . . .*

... the BEAUTY of old-in-new.  
The GOLD of the EARTH  
spun into the Reticulated  
Quartz of her new ring.  
GOLD - forever frozen in  
crystal - but hot as fire to  
the looker.

# Adorn

In time for the cruise ... and  
HE loved you even more.

"I salute women who are living  
life with fun, resolve, dignity,  
sprinkled with naughty. We  
make the world go 'round."  
- Judith Pepper

Choosing a Bowersox-curated amethyst, she decided  
on a custom pendant by Duckie - in addition to the  
Rothenberg. Never can prepare too much for a cruise.

# Fulfill!

*... your destiny with a custom Rothenberg.*

REDESIGN ... her diamonds and  
sapphires captured across two  
stunning custom Rothenbergs

... FOR HIM with a DANCER

hear my wing song  
in the cool of the evening  
on this day of our  
summer lives  
- TINY BIRD SONG -

*Shh!*

A TINY GRACE  
haunts my garden -  
spears my flowers -  
spirits my nectar -  
... fills my heart  
- TINY BIRD SONG -

Solid Gold Hummingbirds with Diamonds No. 1 thru 8 - by Duckie.  
Each is different and special - just as their owners.

“In the silence I find the  
music of my sacred space.  
Shhhh.” - Judith Pepper

# Explore!

Her MOTHER bought the  
EMERALD in BRAZIL many  
years ago. ... In a box, in a  
box, in a box ... NOW, it's  
framed in a ROTHENBERG.

# *Scintillate!*

... for HIM and the WORLD.  
Both will love you for it.

REDESIGN - A tennis bracelet of diamonds concentrated into a GALAXY of SCINTILLATING DIAMONDS. Now she'll be seen off the court in very romantic places.

# Accept Love!

... from those that love you.  
*JACK NOWLIN* gave her this  
*premium aquamarine.*

PURE LOVE for a lifetime- - PREVIOUSLY in a Brazilian Mine... then into a ring from JACK ... then into a necklace ... then into this ring designed by Duckie, his daughter.

*Viva!!*

Ah Baja! ... the air, the sparkling sea  
... Cabo San Lucas in her heart

... and then one more  
thing - a magic Tan-  
zanite ... a treasure  
worth a treasure trip  
- to be brought back  
home ... to be framed  
into a stunning ring  
creation  
by Duckie.

for gems although he realizes he found  
the best a long time ago.

# *Treasure!*

THE STORY of Helen and Albert - They had lived in Panama and exotic places. No children. Later, the FAMILY found their little box of beautiful amethysts. The stones spoke for Helen and Albert. flow ...*

There'll never be  
another Rothenberg.
