RACE FOREVER #7

By R. A. Montgomery

As soon as you could see over the steering wheel of an SUV, your father began teaching you about cars and driving. He is a former racecar driver himself. You have planned this trip to Africa for months but at the last minute your dad has to cancel. You are in Africa on your own, facing some of the toughest driving conditions in the world. And some of the most unscrupulous competitors...

The African countryside is filled with hazards and risks. The winner of the race will gain fame and even sponsorship. But flash floods, charging elephants, and the band of local guerrillas turn out to be the easy part. The drivers who will do anything—anything—to win may be the biggest danger of all.

SECRET OF THE NINJA #16

By Jay Leibold

Ominous things are happening at the dojo of your good friend Nada—powerful thunderstorms in the middle of dry season, objects that seem to move by themselves, piercing sounds coming from empty rooms. Nada traces it all to the arrival of a samurai sword from an anonymous benefactor. Nada feels the dojo is under attack and the sword has something to do with it.

You use your years of aikido practice to meet the challenges you face in your quest. You may have to learn the secret arts of the ninja to help Nada vanquish this sword threat once and for all. You too may need to move without sound, fire weapons without force, and walk in the invisible realm of kuji. Good luck!

"Just went looking to see if these books were even still in existence today - because as I was unpacking some older boxes from my recent move - I found 2 of my cyoa books and shared them with my children. They have read the stories several times already, enjoying the different endings and they are avid readers already. It is so good to know that this amazingly different take on stories and books is still alive and actively in print today.
Thank you for all you do."  Annette Bauer

GOLDEN PATH #1:
INTO THE HOLLOW EARTH

By Anson Montgomery

It starts with a simple call into the headmaster's office on a perfect fall day. It turns into a search for your missing parents that takes you and your two best friends on a trip into the hollow Earth. Part thriller, part travelogue, part personal quest, The Golden Path: Volume One weaves a labyrinthine journey as you search for answers to the truth about your past and the clues to your future. Every choice you make could be the difference between your parents' life and death, and your ultimate destiny.

Can you find the ultimate Golden Path?

GOLDEN PATH #2: BURNED BY
THE INNER SUN

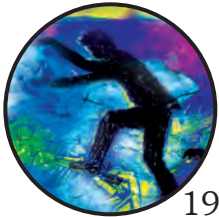

By Anson Montgomery

Are you prepared for the Desera Fox People? The Elephant Whales? Are you the Emerald Warrior? Just a month ago, you lived a normal life on the surface of the Earth. When you and your two best friends, Peter and Dresdale, were expelled from boarding school for what seemed like an innocent archaeology project, you began an epic quest to find your parents and clear your name.

Even though this is your first time in the fantastical regions of the Hollow Earth, your destiny is tied to the strange beings you encounter. You will affect the fate of this place—and it will control your destiny. Does the Golden Path exist?

TRACK STAR! #31

By R. A. Montgomery

As a powerful student athlete, every choice you make sets the course for your track career—and your life. There are many people who'd like to see you win, and people who'd do anything to keep you from it. And then there are people who believe that athletes should do anything to win—even if it means breaking the rules of the game. As a young runner who has already gained celebrity status, you are surrounded by athletes of all ages who have taken different paths on their way to the top. What will you decide on the way to the race of your life?

U.N. ADVENTURE: MISSION TO MOLOWA #32

By Ramsey Montgomery

Working with the UN has trained you to be patient, thoughtful, and careful in your decision-making. But you've only used these skills debating from a podium with kids your own age. When you're thrust into a complicated peace-seeking mission in the troubled new nation of Molowa in Africa, your skills are put to use in a situation of global importance. Will you become the youngest delegate ever to help bring peace to a warring nation, or will your nose for danger lead you into trouble so deep your political career isn't long for this world?

BLOOD ON THE HANDLE #33

By R. A. Montgomery

Ever since your parents disappeared mysteriously in the Caribbean, you have lived with your wealthy Uncle Morgan in his gothic mansion. Morgan is a writer and world traveler, and every day with him has been exciting. The adventure of life with Morgan changes when he, too, vanishes—leaving behind just one clue: a dagger stabbed into the floor of his study, with a bloodied handle. Morgan's life is full of mysteries, and you'll need to figure out who you can trust in your search for your only living relative.

ZOMBIE PENPAL #34

By Ken McMurtry

Zombies and their controlling bokors, the charms and protective spells of voodoo, and the occult all mix in with everyday life for your penpal in New Orleans. Your life in sleepy Maine is much different, and you love your penpal's spine-tingling tales. A new girl shows up at your school who reminds you of your penpal. You haven't received a letter since Hurricane Katrina. Is this your penpal? She looks...changed. Watch out, because zombies want one thing most of all—to eat your brain!!

PUNISHMENT: EARTH #36

By R. A. Montgomery

As two of the youngest residents of the Planet Orca, you and your best friend Og are under the constant rule of the planet's elders. You haven't ever feared the wrath of the Supreme Orcan Senate, although you haven't ever strayed too far from the rules you've grown up knowing. When you stray into the off-limits Lost Region, you are surprised at what you find: a history of your planet you never knew about—even evidence of interplanetary warfare that must have occurred generations before your birth. On your planet, curiosity is forbidden and punished by exile—to an even more mysterious planet you know as Earth!

CURSE OF THE PIRATE MIST #39

By Doug Wilhelm

Your uncle writes bestselling books about high stakes adventure. He lives life like the heroes of his novels—fast paced and exciting! Since your parents are stationed overseas, you are his travel buddy. His latest research leads you both to Guyana, in hopes of chasing down a sunken ship rumored to contain a treasure worth three TRILLION dollars. The sunken treasure has captured the interest of lots of different people, the rich and powerful among them. You're intrigued by tales of a strange purple mist that overtakes those who get too close to the treasure. Will you and your uncle find fame, glory or the plot of his next novel?

THE TRAIL OF LOST TIME #40

By R. A. Montgomery

When your famous archaeologist grandfather passes away, he leaves your parents his ranch in New Mexico. But you get something he thinks is even more valuable: a map to an ancient kiva located deep on the ranch that lets you travel back in time.

Shall you touch the kokopelli image to travel to the time and lands of the Anasazi? Where will the dugout canoe take you? Do you dare access the time and place when the woolly mammoth walked the earth? And if you go to any of these places, will you be able to get back home again? For that is one thing the map tells you nothing about! Are you brave enough to walk the Trail of Lost Time?
