WOMEN'S WOMEN'S **BASIC HANDGUN** **FAMILIARIZATION COURSE** Developing Confidence, Competence and Courage

The Solutions Group International Women's Basic Handgun Familiarization Course is being presented in partnership with Bass Pro Shops.

This is a beginner program designed specifically to empower women who have had little or no exposure to firearms.

Our course starts in the classroom with a general discussion on the familiarization of firearms, safety, and the fundamentals of marksmanship. We gradually develop the new shooter to a level where they are able to safely and confidently handle and fire their handgun in a controlled environment. ***ALL Ammo and Firearms Included.***
