GRANITE DROP RAIL HAVEN SERIES IN BLACK

ActiveYards

ActiveYards® low-maintenance fencing and railing systems are built to last. The difference is in our construction which is engineered with patented ingenuities to improve the quality of the fence over its lifetime, ensuring optimal long-term value.

With lots of styles, grades, sizes, and colors to choose from, ActiveYards offers one-stop fencing solutions. All fence and rail products are proudly manufactured in the U.S.A. and come with a transferable lifetime warranty.

Fencing solutions for life®

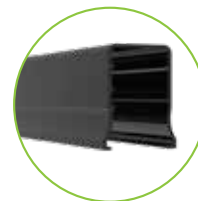

GRANITE DROP RAIL HAVEN SERIES IN BLACK

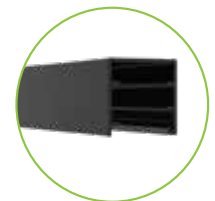

Contemporary Style

It's easy to see why The Granite is our most popular aluminum style. With its modern 3-rail design, form follows function. The top flat rail creates a simple but sleek fence line which protects and beautifies your home. ActiveYards' patented Corigin® rails feature hidden fasteners to ensure a continuous flow along your natural landscape and are designed with maximum range of rackability.

AMETHYST

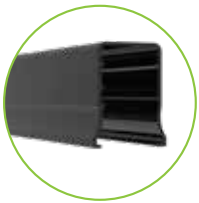

by ActiveYards

AMETHYST HAVEN SERIES IN BLACK

Transitional Style

With balanced upper rails and alternating pickets, The Amethyst draws its inspiration from Transitional design. This attractive fencing system adds just the right amount of style and creates a warm invitation into your outdoor living space. ActiveYards' Corigin® rails reinforce The Amethyst's outer beauty with inner strength with their hidden fasteners and maximum range of rackability.

BEDROCK HAVEN SERIES IN BLACK

Modern Style

The Bedrock is no nonsense. This modern style is the perfect border when you need to understate your perimeter and show off what's inside. The rail and picket weights are almost evenly distributed for a fluid, ultra-clean line that creates a sense of functionality above everything else. ActiveYards' Corigin® rails are the secret behind The Bedrock's simple beauty with their hidden fasteners and maximum range of rackability to maintain continuity across the peaks and valleys of your landscape.

JASPER

by ActiveYards

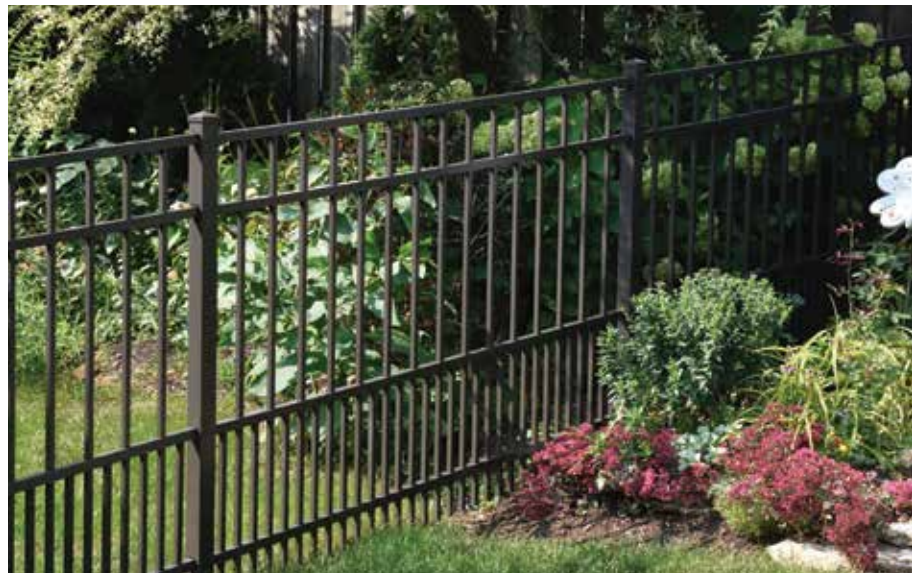

JASPER HARBOR SERIES IN BLACK

Transitional Style

The Jasper fuses single and double pickets for a stylish and functional aluminum fence that adds a lot of curb appeal while keeping furry friends secure within your yard. Also known as puppy picket, The Jasper is engineered with ActiveYards' Corigin® rails – a hidden fastener system designed with maximum range of rackability – for a beautiful, clean fence line that hugs the contours of your landscape.

MARBLE HAVEN SERIES IN BLACK

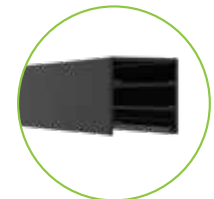

Traditional Style

With its 3-rail design and spear headed picket, The Marble is inspired by Traditional and Gothic design. This stately fencing system is reinforced by ActiveYards' patented Corigin® rails to create a sleek, protective barrier around your property and elegantly conform to the natural flow of your land.

ONYX HAVEN SERIES IN PEWTER

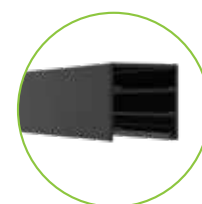

Glamour Style

For a refined, elegant entryway to your home, go Glam. The Onyx evokes this airy, upscale style with its staggered spear picket top and 3-rail design. This lavish fencing system will get noticed and makes a poignant statement especially on large properties. ActiveYards' Corigin® rails – a hidden fastener system designed with maximum range of rackability – will contour to just about any rolling landscapes – even the Hollywood Hills.

SLATE HAVEN SERIES IN BLACK WITH TRI FINIAL TOP

Ornamental Style

The Slate gives a nod to Victorian design and lets you scale up or down the desired level of ornamentation. For a rich, opulent look, you might accessorize with gold Fleur-de-lis Finials and Butterfly Scrolls or scale it back to a matching Quad Finial for a warm, dramatic accent to your property. Mix and match to find the right level of complexity to suit your personal style.

BASALT HARBOR SERIES IN BLACK

Traditional Style

For a bold alternative to the traditional aluminum design, discover The Basalt. This regal style features double pickets with open spear tops for a striking protective boundary with a lot of curb appeal. ActiveYards' Corigin® rails – a hidden fastener system designed with maximum range of rackability – heightens its grandeur for a smooth, continuous appearance.

BASALT HARBOR SERIES IN MATTE BLACK

DIAMOND HARBOR SERIES IN BLACK

Transitional Style

Black White Pewter Matte Black

Looking for a fence with a little more swank? The Diamond offers a ritzier version of this popular transitional style with its double pickets and alternating spear tops. This chic design works well on its own or you can mix and match it with stone masonry to optimize the custom look of your home.

TRAVERTINE

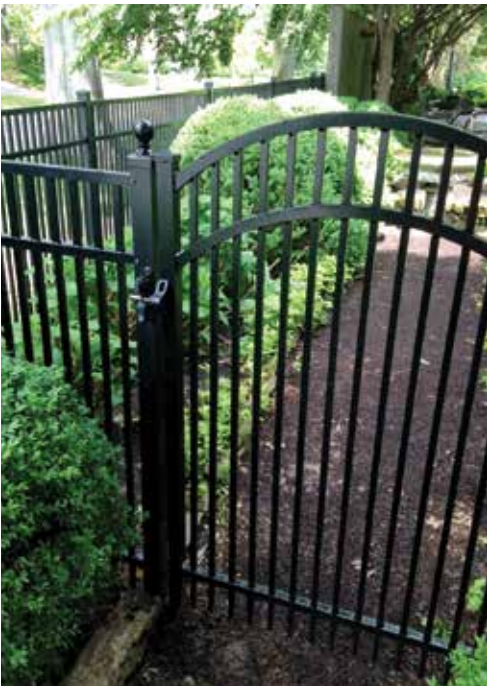

by ActiveYards

TRAVERTINE HARBOR SERIES IN BLACK

Urban Style

Love that industrial style? The Travertine perfectly blends old-world charm with modern chic. With its 3-rail, flat top design and double pickets, enjoy an urban aesthetic in the comfort of wherever you call home. ActiveYards' Corigin® rails – a hidden fastener system designed with maximum range of rackability – maintain the look and strength of industrial metals in a more economical aluminum alternative.

DECO RAIL

by ActiveYards

DECO RAIL HAVEN SERIES IN MATTE BLACK

Traditional Style

With its curved top and beveled edges, ActiveYards Deco Corigin® rails offer a refined design aesthetic that is artfully constructed from the inside out with hidden fasteners. All panels are available in three SolarGuard® colors: Matte Black, White, and Matte Bronze. The matte finishes add another dimension of class to this traditional style.

DECO RAIL HAVEN SERIES IN WHITE

FLAT RAIL

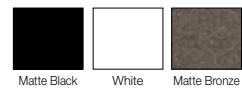

by ActiveYards

FLAT RAIL HAVEN SERIES IN MATTE BRONZE

Contemporary Style

ActiveYards Flat Corigin® rails offer a level of sleek sophistication with their flat tops and beveled detail on the sides. The thin pickets allow all of your natural surroundings in while securely protecting what's already there. Our panels are available in three beautiful SolarGuard® colors: Matte Black, White, and Matte Bronze. Our powder coated matte finishes perfectly enhance this contemporary style.
