# USING YOUR MAGKEY

1. You can use the included MagKey with an iPad 2,3 or 4 in your lilitab. The MagKey allows you to sleep the iPad without having any access to it. This ensures you (and your staff!) can turn your kiosk on and off at the end of the day without removing the iPad from the kiosk. You will always know when the iPad is sleeping because once inserted the MagKey pokes out the top of unit like a little flag.

2. To sleep your iPad simply insert your MagKey with the orange side facing front and the black side facing back.

3. Remove your MagKey and your lilitab will wake up, in exactly the same state it was in before it went to bed ;-)

NOTE: The MagKey will work on any iPad® 2 or newer. It requires that the iPad Cover Lock/Unlock preference is turned on. You can find this in Settings→ General→ iPad Cover Lock/Unlock.

Replacement MagKeys can be ordered directly from the website: www.lilitab.com
