

Faceplate Graphic Template

Version 1.1

Please submit with all type converted to outlines and all images embedded as a 150 DPI PDF file.

Submit via the Branding Element Submission Form located on the Faceplate Graphic catalog page.

Camera area

If your faceplate has the camera exposed this area will be cut out

Bleed

Artwork that reaches the cutline must extend to the outside edge of the red line

Cut Lines

This is where your artwork will be trimmed
(finish size 11-5/8" x 7-7/8")

Home button area

If your faceplate has the home button exposed this area will be cut out
