## 01 TEAM PACKAGES

All of our team jerseys, team uniforms, warm-ups and caps are made to the highest standard for quality and workmanship. We can decorate your custom team jerseys, team uniforms, caps, warm ups and any other athletic apparel complete with your team logo, player names and numbers.

## 02 COMPETITIVE PRICING

We provide pricing that is competitive and appealing. Along with our pricing you get a true product that is not only competitive in price, but also competitive in style, design, quality and materials. ECA products are given a personal touch to deliver excellence.

## 03 LOW MINIMUM ORDER QUANTITIES

Sure we want to dress your whole team, but ECA is also known for low minimum order quantities. East Coast Athletics can produce short run custom products for any sport in a short period of time.

## 04 INDIVIDUAL CUSTOMIZATION

ECA is all about choices. Maybe it was too much sugared cereal when we were kids, but we have to admit -- we get bored easily. So we like to mix it up, and get creative and we think you and your softball team will too. That's why we offer almost unlimited options for team uniforms, whether you're looking for a traditional uniform look or your strategy looking for customization.

SLEEVES

**ARM SLEEVES**  
IT'S WAY HOTTER FROM EAST COAST

**ATHLETICS**

## SLEEVES

Our Custom Arm sleeve is perfect to show off your team colors on and off the court or field. This arm sleeve also provides all the benefits of a regular arm sleeve. This arm sleeve incorporates compression technology which contours to the unique shape of your arm for a sleek and comfortable fit. Compression also helps to prevent muscle fatigue and scratches to arm. Improve your game today and show off your team colors with fully custom full sub dye arm sleeve from ECA.

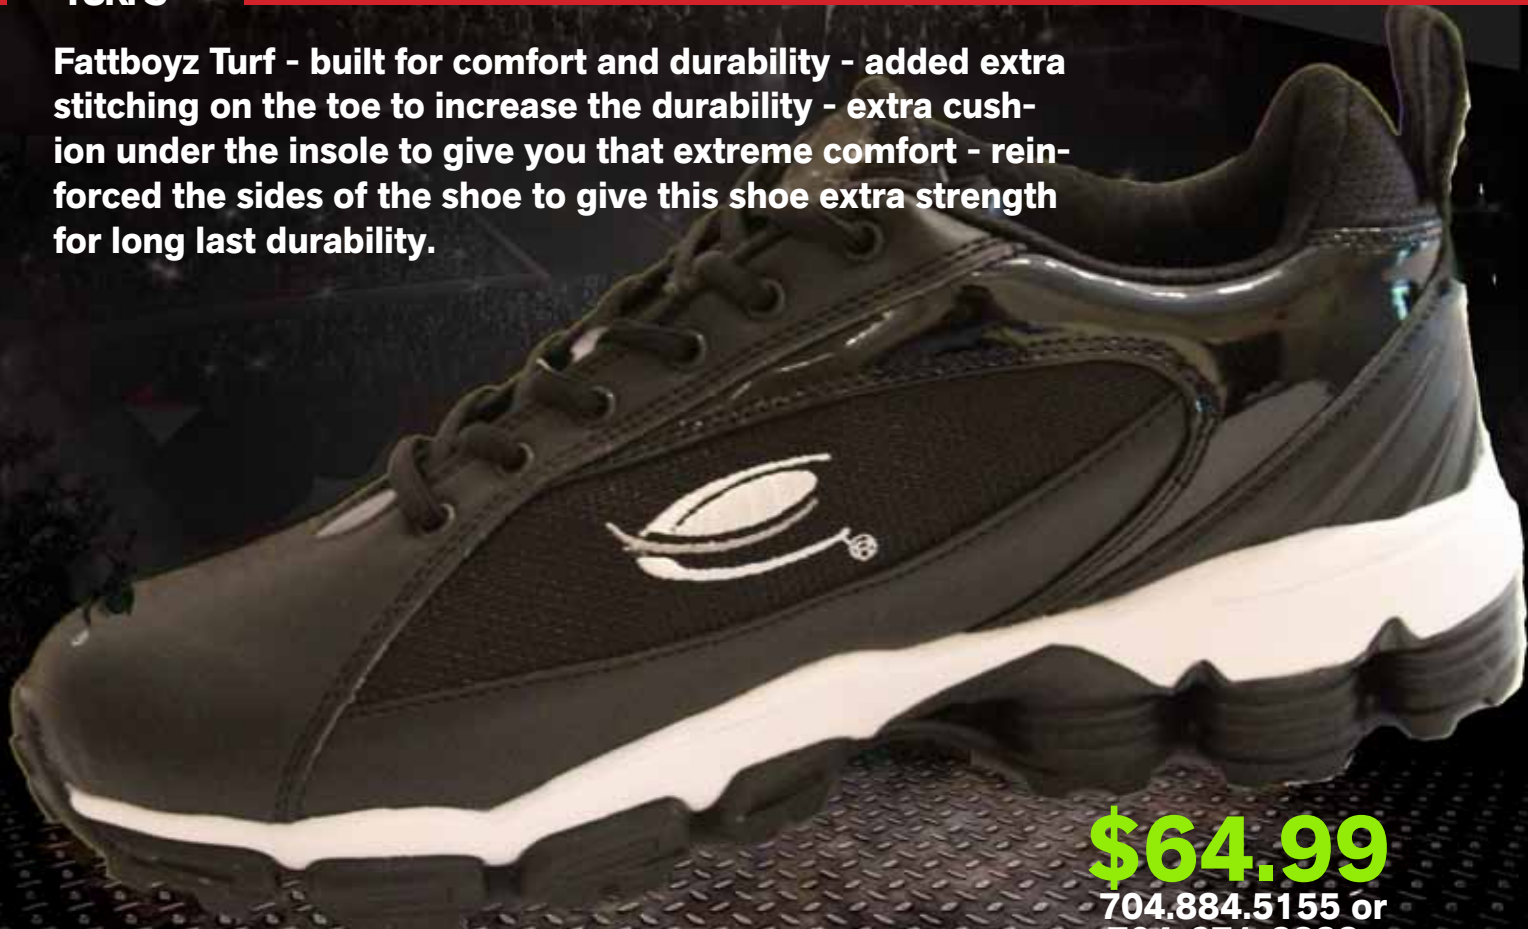

**Bicep** - The around distance of your un-flexed upper bicep.

**Wrist** - The around distance of your wrist.

**Price:** \$20 - \$25

## TURFS

**Fattboyz Turf - built for comfort and durability - added extra stitching on the toe to increase the durability - extra cushion under the insole to give you that extreme comfort - reinforced the sides of the shoe to give this shoe extra strength for long last durability.**
