Toy Brick Building Set

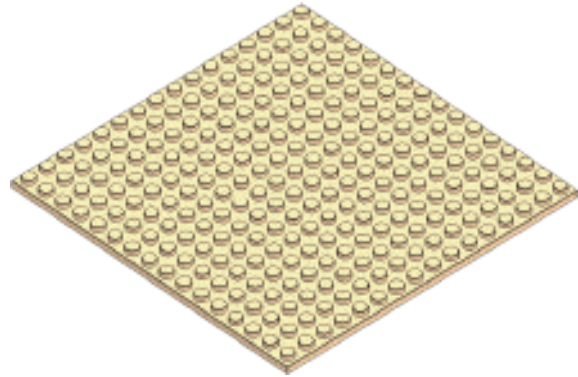

This nativity set is not meant to depict the literal circumstances surrounding the birth of our Savior. Africa is an extremely large continent with many diverse cultures and languages. The purpose of this set is to portray how one subculture might depict this marvelous event. Oftentimes historical events are referenced using our own cultural preconceived notions. Today Christianity is embraced by majority of the populations in southern & central Africa and is also very prominent in the horn & west Africa. We commend and revere our faithful brothers and sisters from Africa!

The Adinkra symbol from Ghana known as "God's grace"
