Toy Brick Building Set**

1. The Oakland Temple groundbreaking and site dedication was done on May 26, 1962 by President David O. McKay.
2. The Oakland Temple was dedicated around two and half years later on November 7, 1964 also by President David O. McKay.
3. The Oakland Temple is the second temple built in California. The first temple built in California is the Los Angeles Temple in 1956.
4. The Oakland Temple is one of three temples with one central tower surrounded by four corner towers. The other two temples are the Cochabamba Bolivia and Provo City Center Temples.
5. The exterior of the temple consists of reinforced concrete faced with Sierra white granite from Raymond, California.
6. The Oakland Temple grounds are accented by flowers, palm trees, fountains and a man-made stream.
7. The Oakland Temple can be seen from a long distance in the bay area of Northern California due to its geographical location on a hill in the East Bay.
8. The Oakland Temple is a structure which many Northern California residents enjoy. The Oakland tourism association has the following to say about the Oakland Temple:
“While you can’t set foot inside unless you’re a part of the church, you can still explore the grounds and the terrace — one of the best views of the bay anywhere.”
9. It is not uncommon for newly married couples from other religions to come to the temple for wedding photos outside of the temple as well as high school students on prom night and other activities.
10. The exterior of the Oakland California Temple features a 35-foot sculpted panels depicting Jesus teaching in the Holy Land.

Hint #1: it took the pioneers 40 years to build the Salt Lake Temple, this model set may require several hours to build, enjoy the ride & take your time!

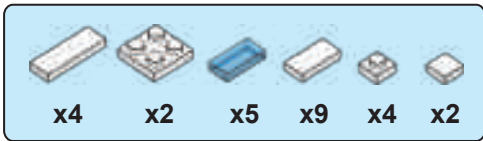

Hint#2: Find several bowls or other containers to divide up the pieces, this will greatly reduce the amount of time searching for different pieces later.
